

Free Scrap Fabric Love FPP Heart Pattern

Print on A4 Paper at 100% scale to make a 6" block.

Use a 1.5 stitch length so you can easily tear away the paper when you are done.

The outer border accounts for your 1/4" seam.

Start with piece A1 and keep adding pieces until A13 then trim to finish your block.

If you are not familiar with Foundation Paper Piecing visit www.scrapfabriclove.com and search 'foundation paper piecing' to find a beginners tutorial & video about this technique.
