SCRAP BLOCKS QAL

WEEK 4

This week's block is an FPP quilt block from My Scrappy Heart Quilt Pattern available on my Etsy shop.

This week's block is the only one of the quilt along that isn't free, but it also isn't compulsory.

On the last page of the handout you will find other ideas to swap out for this block if you do not want to purchase the pattern.

If you do wish to buy the quilt & block pattern you can find it here:

Hope you enjoy this week!

I will be putting out YouTube Shorts videos each week with images of Quilt Along Participant's Progress.

Email your blocks to me at hello@scrapfabriclove.com to be included.

ALTERNATIVE BLOCK IDEAS

WEEK 4

Don't want to purchase the My Scrappy Heart Pattern?

No Problem.

Here are some other ideas to fill the space of this block in your quilt:

- The Squares & Rectangles & Scrap Burst Quilt Blocks from week 2 & 3 are the same unfinished size as this block - so you could choose to make more of one of these.
- You could make more Hexagon quilt blocks (week 1) and trim them to the 9.5" unfinished size of this block.
- You could keep it super simple and trim a leftover layer cake square down to 9.5" - easy!
- You could use another heart block pattern you already own that finishes at the same size.
