# SCRAP BLOCKS QAL

WEEK 5

This week's block is the Framed Frames Quilt Block.

You only need to make 1 block this week - hurrah!

If you are making the row quilt your block will be 12.5"; for the sampler quilt layout it will be 9.5".

As there is only 1 block to make this week it is the perfect week for catching up on any of the weeks you have fallen behind on.

Next week similarly there will be one large block to make and the week after that either 2 blocks (for the row quilt); or a week off (for the sampler quilt).

So I hope you will have plenty of time to catch up on some of the more intensive weeks we had earlier on!

I will be putting out YouTube Shorts videos each week with images of Quilt Along Participant's Progress.

Email your blocks to me at [hello@scrapfabriclove.com](mailto:hello@scrapfabriclove.com) to be included.
