SCRAP BLOCKS QAL

WEEK 6

This week's block is the Big Star Block.

You only need to make 1 block this week.

For both quilt layouts the block size is the same:

20.5"

As there is only 1 block to make this week it is the perfect week for catching up on any of the weeks you have fallen behind on.

If you are doing the row quilt our final block is next week.

If you are doing the sampler quilt layout - this is the last block! But still stay tuned for the quilt top construction video in Week 8.

I will be putting out YouTube Shorts videos each week with images of Quilt Along Participant's Progress.

Email your blocks to me at hello@scrapfabriclove.com to be included.
